Important Safari Information

To help you prepare for your hunt:

1. VISA REQUIREMENTS/INOCULATIONS

No visa is required for entry into Namibia for USA citizens. You will only need your passport. No inoculations are required; however, we do advise our clients to ensure their tetanus shots are up to date. Although our hunting concessions are not in malaria areas, it is advisable to take precautions against malaria. We carry first-aid equipment, so you do not need to bring any but it will be wise to bring some basic medicine for headaches, colds, flu and stomach ailments, as well as any prescription medication. Also ensure you have a high-factor sunscreen lotion with you.

2. RIFLE IMPORTS

Namibia is one of the most hunter-friendly countries in Africa. You are allowed to bring a maximum of three rifles with an allowance of a maximum of 80 rounds of ammo per rifle. A rifle in .300 WIN magnum range (.300 WinMag, .338, etc.) will be suitable for any African game up to eland. You will be required to fill out a Rifle Import/Export Application which must be handed to the police at the airport. At the bottom of this application form, there is a table to be filled out. Some of the questions are a little confusing - this is what they require:

Type	Caliber	Serial No.	Type	Caliber	Quantity
Rifle	300 WinMag	B123456	Rifle	300 WinMag	80
Shotgun	12 Gauge	123456	Shotgun	12 Gauge	80

Select a multi-purpose, expanding bullet. Bullets like Barnes X, Swift A Frame and Trophy bonded are excellent for most African animals.

3. CLOTHING REQUIREMENTS

Most important is a pair of well broken-in, ankle-length boots. Bring a broad-brimmed hat to protect your neck and ears against the sun. Bring something warm for the evenings and early mornings, especially during our winter (June to August). It gets

confirm any booking. Payment must be made either in cash, traveler's cheques or by electronic transfer. **PERSONAL CHEQUES WILL NOT BE ACCEPTED.**

2. Should the safari be cancelled within a period of 180 days or less, before the date of arrival, no refund will be made, whereas a full refund less a 10% admin fee will be made for cancellations 180+ days before the date of arrival.
3. We reserve the right to change our terms, conditions and prices without notice. Rates at the time of the hunt will apply.
4. Please note that should you cut the safari short due to personal circumstances you will be charged for the full length of the safari.

LIABILITY:

We have taken the necessary precautions to ensure the safety and good health of our clients. We will not accept liability for any injury, illness and/or losses incurred during or after the safari.

REST DAYS:

Rest days will be announced at the beginning of the safari. During a rest day, hunters will remain in camp. No sightseeing or hunting for predators will be done. A rest day is for our senior hunters who need to take a day off in the middle of the safari, or for hunters who choose not to hunt on Sundays. Rest days cannot be announced during the safari.

cold at night! To protect our clients, we suggest that they hunt in long pants and long-sleeved shirts. Most of our bushes have thorns! Make sure you do not pack bright color clothing - khaki and/or faded blue, green, etc., is best. Above all, travel light! We have daily laundry services in all our camps, which means yesterday's clothes will be available for tomorrow.

4. CAMERAS AND OTHER ELECTRONIC ITEMS

Power supply is 220 volt. If you need to recharge, make sure you bring an inverter. Make sure your camera bag is dust-proof. Bring plenty of spare batteries or more than one rechargeable battery. Bring extra memory cards.

5. SPECIES AVAILABILITY

Not all species are available in all our camps. It would be ideal to let us have your wish list and leave the camp decision to us.

6. COSTS

When you calculate costs according to our price list you can rest assured there will be NO hidden costs. What you see is what you will pay. Please keep in mind that daily rates are charged per night spent in camp.

7. FIRE-ARM REQUIREMENT

- A minimum caliber in the range of .300WinMag is required
- Calibers smaller than this minimum can be used on certain species, but will not be allowed on larger species such as kudu, eland, etc.
- Clients are responsible for the supply of their own ammunition
- It is recommended that a soft rifle bag, in addition to the rifle case, be brought along for transport between hunting
- We do have rifles for hire should you not bring your own. (USD 15.00 per day and USD 3.00 per shot)
